Focus on The Future.....

What do you think?

Mike Weatherley, your Conservative Parliamentary Candidate has campaigned against the over-development of this site. Thousands in Hove & Portslade have completed surveys supporting Mike.

He believes the now abandoned scheme to build over 750 flats in high rise towers on the site would have put too much strain on local resources with concerns about traffic flow, obstruction of light and support services not addressed.

Mike wants to see sports facilities in Hove maintained. He supports the Council's plan to keep the King Alfred open.

We now have the opportunity to work together to develop a facility of which we can be proud and build something future generations will applaud.

We're out and about in Hove & Portslade over the next few months to talk to residents about what they really want on the site. Visit our stalls around the constituency and let us know what you think, or fill in the questionnaire on the back of this leaflet and post it to us, FREEPOST.

Or go online and complete the survey at:
